

Taking Your Medications

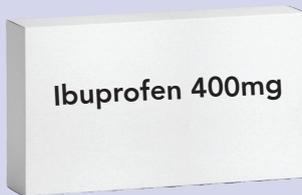

Step 1

Swallow this single tablet at _____ on _____.

Take 1 tablet at _____ on _____ to prevent nausea.

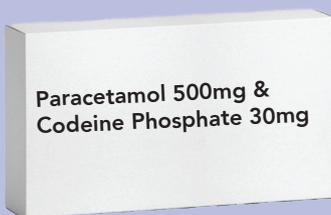

Take 4 tablets at _____ on _____.

Note: If pain persists take an extra 1-1½ tablets at least 8 hours later. No more than 6 tablets in 24 hours.

Step 2

Take 4 tablets at _____ on _____. Rinse your mouth then place 2 tablets each side (=4 tablets total) between your teeth and gums. Allow these to be absorbed for approx. 30 min and then swallow any residue with water.

Take 1-2 tablets for strong pain as needed, repeat in 4 hours if necessary.

If you have any questions or concerns please don't hesitate to call NURSE-ON-CALL 1300 60 60 24 (24 hr service). A nurse will contact you approximately 1-3 days after you have taken your 2nd dose of tablets.
